RESOURCES

GRADUATE STUDENT CAREER GUIDE
Check out the newest UCSB career resource. The Guide has comprehensive information, advice, resources, and tips for how to be a successful job applicant for both non-academic and academic settings. Pick up a copy or view the digital version: career.sa.ucsb.edu/gradstudents

INTERNSHIP FELLOWSHIP
Career Services and the Graduate Student Association are pleased to be able to offer up to five annual fellowships of up to $2,500 each for students who have obtained unpaid or low-paying work experiences during graduate school. The aim is to support graduate students in gaining transferable skills, job readiness, and exposure to careers beyond the academy through direct experience. Applications open in Winter Quarter. Attend a workshop in Fall and Winter Quarter to learn more about the application process. For information, visit: career.sa.ucsb.edu/gradstudents

IMAGINE PHD
ImaginePhD is a free online career exploration and planning tool for PhD students and postdoctoral scholars in the humanities and social sciences. Explore career paths, assess your career skills/interests, and create goals to identify a career fit. Visit: imaginephd.com

GRADPOST & GSRC
The GradPost is the primary electronic source for news, funding, career & professional development, advice, events, and more related to graduate student life at UCSB. The Graduate Student Resource Center (GSRC) serves as the central hub for in-person campus services and resources. Visit: gradpost.ucsb.edu/subscribe

HANDSHAKE
Handshake is Career Service’s new platform connecting you to internships, jobs, employers, and events tailored to you. For more information go to: career.sa.ucsb.edu/career-resources/handshake-information

CAREER RESOURCE ROOM
Visit the Career Resource Room (CRR) during drop-in hours for general career-related advising (15-minutes). Hours: M through F; 11am–4pm Location: Counseling and Career Services (Building 599) Contact: 805-893-4414

MYIDP
MyIDP is a career exploration and planning tool for science, technology, engineering, and mathematics PhD and postdoctoral scholars. Create an individual development plan (IDP) to help you explore career possibilities and set goals to follow the career path that fits you best. Visit: myidp.sciencecareers.org

VERSATILE PHD
A great resource for PhD students to explore non-academic careers in STEM and humanities/social sciences. Versatile PhD gives you access to dozens of “career narratives,” which let you track a PhD graduate’s course from first thinking about non-academic jobs, to looking for job postings, to the actual resume and cover letter they used to apply for a job. Visit: graddiv.ucsb.edu/versatile-phd
