

Interdisciplinary @ UCSB

A Panel Discussion and Mixer for Graduate Students

WEDNESDAY, NOVEMBER 6, HSSB 6020 (McCune Conference Room)

2:00 - 3:15p

Panel discussion with faculty from Black Studies, Communication, History, and MAT

3:30 - 5:00p

Mix and mingle with interdisciplinary emphasis representatives while enjoying refreshments

Have you ever wondered about opportunities for doing interdisciplinary research at UCSB? Are you curious to find out more about the opportunities and challenges of pursuing an interdisciplinary career?

Join us for a panel discussion and mixer with UCSB faculty and interdisciplinary emphasis directors to learn more about what it looks like to dive into the exciting world of interdisciplinary research at UCSB and beyond.
